AFROPAC STATEMENT: CHANGE OF OPERATIONS

Dear Members, Fellow Networks, Partners and Friends of AFROPAC.

In view of the outbreak of the COVID-19 pandemic globally, and directives given by the Government of Kenya in line with the World Health Organization (WHO) Regulations, the AFRPAC Secretariat has closed its office and put on hold all scheduled events until further notice.

We appreciate the change that, inevitably, comes in such times and our mode of operation, in the meantime, will now be virtual. We are committed to accomplishing our on-going projects together with our development partners and other networks.

Meanwhile, we wish to stress on the need for strict adherence by all our Members and Partners to the Public Health regulations put in place in the respective jurisdictions.

Together we shall overcome!

Hon. James Opiyo Wandayi,
